

MW32-A32

32" Android-Based All-In-One Touchscreen

Introduction

This gorgeous Touch Screen system is capable of being mounted in both portrait and landscape mode. It features a robust 32" 1080P high resolution crystal clear display. Its large screen size makes it perfect for all types of Digital Signage including menu boards, way-finding kiosks, school or corporate announcement systems, and many more creative solutions.
